YFS ratified clubs can apply for four types of funding to suit their various needs.

### 2.1 Base Funding

All YFS ratified clubs are eligible for Base Funding, provided they have met all club requirements as listed in YFS Operations Policy 16 - Clubs Ratification Policy. All YFS

rati ed clubs are eligible to receive up to \$200 in base funding.

Base funding is a resource for clubs to be used primarily for start-up expenses. Items eligible for funding include, but are not limited to equipment, supplies, advertising and other operations expenses.

Base funding applications are due on October 30 for the fall semester and February 28 for the Winter semester. Clubs rati ed/renewed in the Fall semester cannot apply for Base Funding in the Winter semester. Clubs wishing to receive Base Funding must apply for it on the YFS website.

## 2.2 Event Funding

All YFS Rati ed Clubs are eligible to receive a maximum of \$800 through event funding, per event. Priority will be given to new applicants. In order to receive club funding, the appropriate application procedure must be followed as listed under YFS Operations Policy #6 – Club Funding, 3.0 Application Procedure.

Clubs approved for funding above \$200 will be given the funding in two installments. Initially, 40% of the amount of funding will be given prior to the event applied for. In order to receive the final 60% of the amount of funding, a Post-Event Funding Application must be completed within 28 days of the event taking place. An exception to the 28-day rule will be made for the first Clubs Committee Meeting in the Fall term to account for events taking place over the summer. Clubs approved for funding under \$200, will receive the full amount up front. However, receipts must still be submitted electronically with a Post-Event Funding Application in order to remain a club in good standing with the YFS. The YFS will only provide Event Funding if receipts have been submitted due to financial protocols for Not-for-Profit Corporations.

The Post-Event Funding Application must include:

- a detailed final financial statement of expenses and revenues

- scanned itemized receipts of all expenses, and including proof of payment in electronic format
- a brief description of the event

Upon the receipt of the Post-Event Funding Application, the club shall receive the final 60% of the funding. Should the group fail to comply with any of the guidelines in this document, the second installment of the grant will be withheld. Should the club fail to provide appropriate receipts to support their event after Pre-Event funding has been allotted, the club funding must be returned to the YFS via cash or cheque. Should the club fail to provide payment by the end of the YFS fiscal year (April 30), the club account will be flagged and future funding will be deducted by the amount owing.

All funding exceeding 50% of the event budget will require an indication on all posters and all major pieces of promotional materials (including web-based promotions) stating: Funding provided by the York Federation of Students.

### 2.3 Relief Funding

Relief Funding is to aid clubs who have taken a significant loss on an event. The maximum amount of Relief Funding that can be given to clubs is \$800. Eligible Relief Funding expenses must still fall under the specifications of YFS Operations Policy #6 – Club Funding, 1.0 Terms of Funding. Each club may apply for Relief Funding once throughout the entire year.

### 2.4 Printing

All YFS ratified clubs are eligible for a \$125 printing credit to be used in the YFS Printing Resource Centre, as of May 1. Balances from previous years will not be carried over from one year to the next and expire on April 30.

Club printing credits can only be used for club printing purposes. Individual use printing is forbidden through club printing credits. Club printing credits can also only be used for
